Mihai Brana  GCSP RELEVANCE TO HONEYWELL
Honeywell Overview

NYSE: HON | ~970 sites | ~110,000 employees | Morris Plains, N.J. headquarters | Fortune 100

Aerospace

Our products are used on virtually every commercial and defense aircraft platform worldwide and include aircraft propulsion, cockpit systems, satellite communications, and auxiliary power systems.

Building Technologies

Our products, software, and technologies are in more than 10 million buildings worldwide, helping customers ensure their facilities are safe, energy efficient, sustainable, and productive.

Performance Materials and Technologies

We develop advanced materials, process technologies, automation solutions, and industrial software that are revolutionizing industries around the world.

Safety and Productivity Solutions

We improve enterprise performance and worker safety and productivity with our scanning and mobile computers, software, warehouse automation solutions, and personal protective equipment.
About Honeywell

• **Addressing Critical Challenges:** Honeywell invents and manufactures technologies that address some of the world’s most critical challenges around energy, safety, security, productivity and global urbanization.

• **Supporting Connected Systems:** We blend physical products with software to support connected systems that improve buildings, factories, utilities, and aircraft, and that enable a safer, more comfortable and more productive world.

• **Enhancing Quality of Life:** Our solutions enhance the quality of life of people around the globe and create new markets and even new industries.

• **Corporate Social Responsibility:** Honeywell Hometown Solutions focuses on Environmental Impact (Safe Water Systems and Education Programs; Sustainability and Ecosystem Education), and Social Impact (STEM and Coding Education; Smart Cities Challenges; Safety Education)
Technology and Innovation

- **18,000** Engineers Worldwide
- **~9,000** Software Developers
- **138** Research and Engineering Facilities
- **35,500+** Patents Granted or Pending

- **49%** Software
- **24%** Mechanical
- **22%** Electrical
- **5%** Chemical
Honeywell Footprint in Romania

**Lugoj – Honeywell Life & Safety**  
(since 1993)  
Fire & Life Systems / EM COE  
(manufacturing, R&D)

**Bucharest – Pipera Office**  
(since 1992)  
Customer/Product Support, Engineering,  
Integrated Supply Chain, Finance,  
Marketing, HR, IT, Procurement

**Timisoara - Elster Rometrics S.R.L.**  
(since 2016)  
Electrical meters & engineering

**Honeywell Elster Romania**  
(since 2016)  
Gas meter/metrology

4 sites, 3 manufacturing sites, 1 office location  
+3000 EE  
+700 Engineers
The Talent We Need

Device \rightarrow System

Team \rightarrow Partner Ecosystem

Physical \rightarrow Digital

Technical \rightarrow Socially Responsible

Multidisciplinary Training
System Level Thinking
Digital Foundation
Beyond Technical – End
User
Interpersonal Skills
Social Responsibility
